PRICE, 5 CENTS

GREAT URSINUS AND COMMUNITY ORCHESTRA PLANNED

Mr. Leman, Prominent Philadelphia Musician, to Take Charge

A great Ursinus Orchestra drawn from the musical talent of the College and the community is promised by the announcement that thru the efforts of Professor Jolls of the Department of Music, Mr. J. W. F. Leman, of Philadelphia, will, in the course of the next fortnight, begin the organization of such a body of musicians. The need for such an orchestra of the College and community is only too evident and the new leader should be given every possible bit of co-operation by the musicians in our midst.

Mr. Leman stands conspicuously as one of the prominent musicians of Philadelphia. He is a well known concert violinist, a member of the Philadelphia Orchestra, and is Conductor of the Apollo Orchestra, the Y. M. C. A. Orchestra, and the Bethany Orchestral Society. For several summers he has been leader of the orchestra on Young's Million Dollar Pier.

The West Philadelphia Symphony Orchestra of which he is Conductor has been growing in the estimation of the city until it ranks well up with the better professional orchestras. It includes members of other orchestral organizations in the West Philadelphia vicinity, who meet one night each week for the study, ensemble practice and knowledge to be gained from the standard orchestral works under experienced and critical leadership. The following concerning the work of the orchestra is quoted from the "Public Ledger":

"The recent concert of the West Philadelphia Symphony Orchestral Society brings this charming letter from a friend of J. W. F. Leman's excellent enterprise. The letter follows. It is signed, but as it was not written for publication, the name is withheld:

"I wish to draw your attention to the West Philadelphia Symphony Orchestral Society, which was organized about three months ago, largely from members of some of the Sunday Schools in West Philadelphia, and gave its first public concert last night at St. Paul's Church. I learned that it was organized purely for educational purposes and for assisting those who were lovers of music to develop their talents. About fifty young people of all ages, from twelve years up, and of both sexes, comprise the personnel of the orchestra, and the leader, J. W. F. Leman, has them under remarkable control. The concert was splendid, and would have done credit to a much older and more mature organization. It should have been better attended, but I learned was not advertised to any extent. I hope you will look up this club and describe its efforts, giving it the proper place in the musical news of the city. I feel it has a future, and should be encouraged purely from an artistic standpoint. I do not know any of the members of the club. I have no interest in it aside from my general interest in music, and I am not writing this letter for publication—merely to put you on the track of an organization that ought to be helped through the columns of our leading journal."

The orchestra as planned here will give attention to the classics and also music of the better popular variety. It is hoped that many from the community will enter heartily into this organization. Additional information can be secured by addressing Prof. J. M. Jolls at the College.

The Muhlenberg Weekly looks forward to a football game with Ursinus on Thanksgiving day as one of Muhlenberg's spirited games. We need to get back of our team so that Ursinus will again carry off the victory of that day.

COMMUNITY ENTERTAINMENT COURSE, SECOND NUMBER

"The Headliners", Boston Entertainers, Present Interesting Program

Holders of tickets for the Community Entertainment Course had their second treat on Monday evening when "The Headliners," of Boston, appeared. This company is composed of Walter Eccles, reader and impersonator; Joseph Yarrick, wonder worker of magician; and George Coward, pianist.

All three of these men contributed much to the great success of the entertainment. Their program was of the finest quality and was decidedly humorous, sometimes approaching even to "nonsense." They succeeded remarkably in transmitting to their hearers their spirit of jollity and fun.

Mr. Coward's piano selections and his vocal numbers were much enjoyed. He rendered a selection from Cole-ridge Taylor and then "Melody" by Rachmaninoff. With a rich, mellow voice he sang "I Hear You Calling Me" and "My Laddie."

Mr. Eccles as a reader and impersonator remains unexcelled. His selections changed from the extreme variety to the very serious and all were well received by the audience. "It Couldn't Be Done" and "Not Understood" were in marked contrast to "The Scientific Man" and "It's Nice to Get Up in the Morning," by Lauder. His impersonation of "Joshua Jenkins in Boston" was very amusing.

But perhaps that part of the program most interesting was the work of the magician, Mr. Yarrick. His sleight of hand tricks with various articles were filled with a mystic air. Thru it all there ran his deep sense of humor which kept the house in incessant laughter.

The next number of the course which is scheduled for December 18, promises to be of great interest to all. The Orpheus Four, America's finest male quartet, will then appear.

EDUCATION CLASS MAKES FIRST OF PROPOSED OBSERVATION TRIPS

Early Friday morning the class in Education 6 conducted by Prof. Mertz left on the first of the trips planned for the year on which the class will have an opportunity to come in contact with the practical applications of the theories studied in the class room.

This first trip led them to the Frankford High School and to the Upper Darby High School thus showing them both the city and smaller community high school. Special attention was paid on this trip to observing the equipment and management of the schools in which respects the two schools selected have acquired a reputation for themselves.

1921 RUBY ENTERING FINAL PHASE

The time is approaching when the Ruby of the Class of 1921 is to come from the press. However whether or not it will appear before the Christmas holidays is still rather uncertain. The contract for the publishing has been awarded to Berkemeyer and Keck, of Allentown. The Northern Engraving Co., of Canton, O., is at present busily engaged upon the engraving for the book.

Photographic work has proceeded well, practically all individual pictures having been taken as well as group pictures showing various phases of college life. J. Mitchell Elliot, of Philadelphia, has made several visits to the campus to obtain pictures of the the larger student groups. The artists of the class are now engaged in preparing the artistic touches necessary.

(Continued on page 2)

BASKETBALL SEASON OPENS WITH GOOD PROSPECTS

Well Selected Schedule Promises Interesting Season

Coach Mitterling issued first call for basketball candidates Tuesday afternoon. Twenty-five men answered the call and began to toss them in from difficult angles. The possibility of having a snappy five are very encouraging, and Ursinus is sure to witness some great cage stunts this winter.

Captain Paine claims it looks very favorable as Frutchey, Varsity center, and Isenberg, Varsity guard, are both playing true to form. Erb, Rahn, Moser, and Helffrich, all of whom have played considerable basketball, show up better than last year. In the baby class here is also considerable material. Gotshalk, who plays end in the football team is a guard of no mean ability, while Staples, an Easton High Star, will make someone hustle for a forward position. No matter what combination is used the team will be a fast aggregation, as all these men are veterans at the game. Lefty Flitter, from Frankfort High and Wilkoff from Trenton also look promising. Ad Shelly, the diminutive forward of last years Scrub team, and Houck, who was a novice at the game last year, should give somebody a struggle for a Varsity berth. The prospects look bright for a successful season.

Manager Isenberg has arranged a schedule which will call forth the best possible combination; so lets all get out and make a try at this team.

1920 and 1921 Basketball Schedule
Sat. Dec. 4—Univ. of Pa., at Phila. Wed., Dec. 8—Drexel at Collegeville Sat., Dec. 11—Rutgers at New Brunswick, N. J.
Sat., Jan. 8—St. Joseph's at Phila. Fri., Jan. 14—Haverford at Haverford Sat., Jan. 15—Dickinson at Collegeville

Wed., Jan. 19—Muhlenberg at Allentown
Sat., Jan. 22—Delaware at Newark Sat., Jan. 29—F. & M. at Collegeville Wed., Feb. 2—Haverford (pending) at Collegeville
Sat., Feb. 5—Swarthmore at Swarthmore
Fri., Feb. 11—Drexel at Phila.
Sat., Feb. 12—Albright at Myerstown Thurs., Feb. 17—Gallaudet at Collegeville
Sat., Feb. 19—P. M. C. at Chester Wed., Feb. 23—Albright at Collegeville

Sat., Feb. 26—U. of P. Jr. Varsity at Collegeville
Wed., Mar. 2—Muhlenberg at Collegeville
Fri., Mar. 4—Dickinson at Carlisle Sat., Mar. 5—F. & M. at Lancaster Fri., Mar. 11—Mansfield State Normal School at Mansfield Sat., Mar. 12—Alfred University at Alfred, N. Y.

You can lead a student to lectures but you can't make him think.—Exchange.

Have a look at the worries of the past, occasionally, how they have dwindled.

THE URSINUS VS. MUHLENBERG GAME ON THANKSGIVING SURE TO BE GREAT BATTLE

"The Weekly" Gives Some "Dope" on the Personnell of the Team We Want to See Return as Victor

"TY" HELFFRICH SAYS:

"This year's defeats mean nothing to the team, but a challenge to go into the final struggle and show the student body and Ursinus alumni that the red, old gold and black is represented this year by a clean, hard hitting and game eleven."

TEAMS ARE EVENLY MATCHED

With both teams weighing in about the same weight, and neither eleven having an advantage of speed, the Thanksgiving fray in Allentown promises to be a real battle. By comparative scores we would say the game will be won with one touchdown by the squad which holds its fight the longest. This annual affair has always been a good, clean fracas and this year should prove no exception. Both teams are in the best of condition and anxiously awaiting the starting signal when they may fly into each other.

Captain Helffrich, '21

Donald Lawrence Helffrich of Bath, Pa., entered Ursinus in the fall of 1917 from Mercersburg Academy. He made the Varsity here in his freshman year. During the fall of 1918 he played with a service team in Texas. Returning to school he held down right tackle position in commendable manner during the fall of '19. Because of his "fight to the end" actions on the gridiron he was elected to captain the 1920 team. This year he has played every minute of every game at left tackle and you know how he can play. "Ty" stands six feet and weighs 173 lbs.

"Ty's" playing and work as captain this year has been of a high character which reports of the "Weekly" have not sufficiently credited. "Ty" in addition to being football captain has also "covered" all the football games for "The Weekly" of which he is one of the editors and the part he has taken in winning games has suffered as a result in the "write up" he has "turned in."

Paul H. Isenberg, '21

This is "Ike's" fourth year of Varsity football at Ursinus. He captained the 1918 team thru its season. Coming from Mercersburg Academy with a wonderful reputation he has surpassed all the nice things said about him. "Ike" plays full-back and there is none better among the smaller colleges. Paul stands 5 ft. 9 in., weighs 170 lbs. and is 23 years old.

Clyde A. Moser '21

Conshohocken High School sent this speed merchant to Ursinus. He made the team in his second year and has held a regular berth at right end ever since. "Mose" is fast, aggressive and deadly at receiving forward

passes. This bit of humanity stands 5 ft., 9 in. from the ground and pushes the scales up to 148 lbs. in this his 21st year.

Clyde L. Schwartz '21

"Nig", the diminutive quarterback, hails from Littlestown. "Schwartzzy" worked hard for three years to become a football star and in this, his fourth year he has succeeded. When standing back calling signals he weighs 140 lbs. and towers but 5 ft., 5 in. above the white washed lines. "Nig" voted for the first time this year.

Chas. U. Shellenberger '21

A novice at the game but a lineman with the essential qualities, fight and brains. "Shelly" plays at tackle and breaks up his share of plays. He will graduate at 19 years of age, but a big boy for his years. He weighs 175 and looks every bit of his six feet.

Nathaniel Detwiler '22

Another six footer. This giant comes from Spring City High School, and tho he has played but two years of football he has starred in every game this season. "Nat" plays guard with 185 lbs. to back him up, this being distributed in 6 ft., 1½ in. of 20 years' growth of manhood.

Clarence Paine '22

Hailing from the city of athletics, Lebanon, Monk has been showing up fine in the back field this season. He was hurt in the P. M. C. game but is back again in fine shape. He hits the line with 158 lbs. and when stretched out on the ground covers 5 ft., 7 in. of sod. His age is 19 years.

Edwin Neff Faye '22

Entering Ursinus this year as a junior from Williamson Trade School, Eddie has proved himself a man of great football ability. Misfortune in the early part of the season has kept him on the bench, but we know his ability as an open field runner. Faye tips the scales at 155 and is 5 ft., 7 in. tall. He is 21 years old.

Allen Glass '22

Coming to Ursinus from the coal region is assurance enuf of his football ability. "Quilly" is so hard he need not wear a head gear, when playing at center. His age is 24 and he has developed in that time 155 lbs. of beef steak within a 5 ft., 7 in. space.

Melvin Rahn '22

"Mel" towers about 6 ft., 2 in. from terra firma. He is 18 years old and weighs 165 lbs. "Mel" can play either on the line or in the backfield which makes him a valuable man on a team.

Elmer Vosburg '23

Having the misfortune of being hurt in one of the early games this star end of ours has not had the opportunity of displaying his ability to the school. However be it known "Vos" is a deadly tackler and one of the few men who have won their U

Editorial Comment

What has become of the county clubs organized last year? We have noticed the Berks County Club is alive and active but not a word has been heard of the work of the others.

Every college that is wide awake has county, state, or some similar sectional clubs. They are a powerful means, if they are really working clubs, for organizing college sentiment in the section they represent. Now that we have a Press Bureau these county clubs should be more active than ever in co-operating with, and assisting the Bureau so that it may do the best possible publicity work in the section the club represents.

The clubs should not merely be social affairs. They have hard work aplenty ahead of them if they are willing to use some real college "pep" and work for Ursinus.

Eventually the College officials will have to rejuvenate these clubs unless they become active themselves. They are too valuable a force for any school to neglect. Even such a school as the University of Pennsylvania with its thousands of students has similar clubs designed to bring its undergraduates into contact with prospective students.

But why wait for the already over-worked officials to rejuvenate this movement? We need not only the College "pep" which leads us to cheer on our teams (and of this at times there is by no means a superfluity) but we need a concrete expression of "pep" in boosting Ursinus. Thanksgiving and Christmas vacations give students, and alumni also it might be added, splendid opportunities to make their influence felt among prospective students.

County clubs organized with a real spirit of work could direct this personal work more effectively than any other agent and as a side line could, as we said above, assist the Press Bureau in the enormous field of work before it.

The organization and work of a county club offers every student the opportunity to show what he or she can do.

It is a real chance to show real "pep".

Let's see some "pep" and some real working county clubs.

G. P. K., '21

Our attention was recently called to an article in the Lafayette Weekly which referred to the establishment there, of a daily study period in one of the dormitory buildings. It seems that this is an action well worth emulation on the part of Ursinus authorities.

It is absolutely deplorable that there are some individuals in the College who are decidedly blameworthy of encroaching upon the time of conscientious, ambitious students, in so far as not to permit those students to devote valuable time to solid study. Every student is at some improper time culpable for unnecessary noise, singing, and loud talking, diverting instrumental practice and Victrola operation. These are certain at any

time to draw attention, to no small degree, from the more necessary and real college work. There are some few in the institution who, apparently, are not here for study but, for the "college life." Let those individuals enjoy "college life," but let them at the same time have a regard for the work of other students.

Some say that a college student has arrived at such a stage in life where restrictive influences are not only no longer necessary but that certain restrictions are prep. school customs. Yet this appears, thru the action of our neighboring institution in adopting this plan, the only means to afford the conscientious student some substantial protection against the frivolous person.

The establishment of a period from seven thirty o'clock until ten thirty o'clock in the evening, during which time all residents of the dormitory must be quiet, would contribute materially to a raised standard of scholarship in Ursinus. Some action in this matter might well be taken.

F. N. S., '23

East campus has long been sacred territory so far as student trespassing is concerned. This year however bids fair to be an exception. Traces are found of paths on the sod beside the stones on the path in front of Bomberger and the paths leading to Shreiner and South from Bomberger and Freeland. Why it is necessary to walk on the sod beside a path six feet wide seems a conundrum. Ursinus has a beautiful campus. Why not stay off the campus and speak a gentle word to others who "cut" campus or worse still wear paths in the sod.

G. P. K., '21

SCHAFF LITERARY SOCIETY

Schaff's general literary program on Friday night, different from the ordinary general literary program. Instead of what might have been expected from the name announced, a really miscellaneous program was rendered.

A musical number, performed by Miss Williams, came first. Then Miss Allen ably impersonated a character well known about the campus by the co-eds. Several of the numbers were to represent various Thanksgiving Dinner dishes. For example, Fretz led what was named "Turkey Gobbler," featuring several "niggers" in an altogether original sketch. Miss Gross then read an essay on "Cranberry Sauce" which certainly did come up to her standard as a writer of no mean ability. Miss Walker read Christopher Marlowe's essay "On Doors." Mr. Undercoffer's speech, an "After Dinner Talk" brought into the limelight a fine orator. He spoke concerning the Pilgrim Fathers, giving a brief history of the affairs which led up to their famous voyage to America. He outlined their ideals, their hopes and their aspirations. The institution of Thanksgiving, founded by these Pilgrims, shows the impetus left by them upon modern civilization. The Schaff Gazette, edited by Miss Light and read by Miss Mockford, contained an excellent editorial on "Politics." The wit of the paper

met with much favor.

It being the time for the election of officers, these were elected: President, Mr. Gregory; vice president, Mr. Rahn; recording secretary, Miss Louise Hinkle; corresponding secretary, Miss Haelig; chaplain, Mr. Anderman; pianist, Miss Poley; first editor, Mr. Michael; second editor, Mr. Buchanan; third editor, Miss J. Xander; janitor, Mr. W. H. K. Miller; Assistant janitor, Miss Mills; critic, Miss M. Moyer.

A number of visitors were present. The society cordially invites them to all succeeding meetings.

ZWINGLIAN LITERARY SOCIETY

The members of Zwing were pleasantly entertained on Friday evening with a well rendered miscellaneous program. Much natural ability was shown thruout, both in the orations and more frivolous numbers.

The first number took the form of a piano duet by the Misses Mentzer and Snyder, who showed that their usual ability was not lacking by responding to the hearty applause with an encore which quite equalled their first selection.

"Thanksgiving in Slatington" was quite the hit of the evening. "The Slatington Crew" cleverly presented by the use of a projecting lantern, a number of colored views of their home town. Miss Muschlitz ably pointed out the interesting details as each picture was flashed on the screen. These were followed by another series of pictures under the title of "Some Zwinglians."

Mr. Tyson then favored the society with a solo, "The Magic of Your Eyes." Altho, Mr. Tyson was suffering from a cold, his rendition was excellent, and he also received a hearty applause.

Mr. Zandt, with skill, read a paper on "The Significance of Thanksgiving." He set forth a number of reasons why we should be particularly thankful on the coming Thanksgiving.

A mock sermon, "Be ye Faithful," by Mr. Flitter kept the house in a continuous roar of laughter for a few minutes. A feature of the performance was the collection basket, passed by ex-janitor Tomlinson. Mr. Flitter reported a total of four cents as his share. Mr. Tomlinson has not yet made known his receipts.

The Parliamentary Drill, led by Mr. Deibler, also furnished much amusement. President Isenberg fulfilled his place unflinchingly under a torrent of motions.

Miss Clapham and her company presented a skit under the title of "A Thanksgiving School." The three seniors "Ike," "Mose" and "Swartz" took their parts well, seeming perfectly at home as naughty school boys.

"Conserve your spiritual Resources" was the title of the oration by Mr. Lentz. It was very well delivered. Mr. Lentz showed the need of spiritual conservation among the younger people of the day.

Following the program came the election of officers for the coming term. This resulted as follows: President, Mr. Lentz, vice president, Miss Mentzer; recording secretary, Miss Boyer; corresponding secretary, Miss Shreve; chaplain, Mr. Greenawalt; editor No. 1, Mr. Reimert; editor No. 2, Miss Klingler; musical director, Miss Yost; janitor, Mr. Lenker.

Owing to the length of the meeting social hour was not observed.

Y. W. C. A.

"Enter into His gates with thanksgiving and into His courts with praise." This was the spirit of the Y. W. C. A. meeting on Wednesday evening. Thanksgiving hymns added to the seasonable appropriateness of the topic.

The leader, Miss Klingler, spoke of the various views concerning Thanksgiving. Many regard it either as merely an annual holiday or at the most an annual occasion of returning thanks and praise to God. To others the idea includes the rendering of praise to our Maker each Sabbath—and forgetting Him thru the week. But the true observer of Thanksgiving is the one whose everyday life gives thanks to God. Thanksgiving is most truly interpreted—Thanks-living.

Y. M. C. A.

The regular meeting of the Y. M. C. A. on Wednesday evening in the social rooms was led by Harry Altenderfer. The leader read from the third chapter of the Epistle of James. The discussion which followed centered about speech on the campus. The great need of all fellows is the power of the right use of speech. Too often things are spoken at an improper time and might better have remained unsaid. After they have been uttered it is virtually impossible to make right the wrong that has been done. Surely the unfriendly criticism is a wrong not only to the person criticised but often to the hearer of the criticism. Why not get together to end this unfriendly speech and also put a stop to the sacrilegious practice of carrying on an absolutely unnecessary conversation inside any sanctuary. The fault lies with nearly every person and is one worthy of earnest consideration and avoidance.

FACULTY NEWS

President Omwake represented Ursinus at the inauguration of President Walter Hulihan of Delaware College on October 30 and at the inauguration of President Fred W. Hixson of Allegheny College on November 11. President Hulihan was formerly dean of the University of the South at Seawane, Tennessee, and President Hixson was president of the University of Chattanooga in the same state.

Mrs. Witmer and daughter Dorothy arrived on Friday from Lancaster. At present they are making their home with Mr. and Mrs. Seiverling where Prof. Witmer has had rooms since beginning his work as a member of the Ursinus faculty.

Mrs. C. D. Yost entertained the ladies of the faculty on the afternoon of November 12.

In the future Prof. Jolls will instruct the Collegeville High School in music every Tuesday from 2.45 to 3.15. He expects to organize high school glee clubs for the boys and girls in connection with his work there.

PRIZES OFFERED

Eight prizes to the amount of \$75.00 are being offered for the best essay on "Five Ways of Earning Money at College." The winner of the first prize will receive \$25.00, and then it scales down to \$5.00 each for the last prizes.

The awards are being offered by Arthur Murray. According to a recent article in Forbes Magazine, Arthur Murray worked his way thru Georgia Tech. and made \$15,000 a year by giving dancing lessons. While at Georgia Tech. he taught a class of 660 children, the largest dancing class in the world.

Arthur Murray is now gathering information on various ways of earning money at college.

1 Any student may enter the contest. \$75 in prizes for the best essay on "Five Ways of Earning Money at College."

2 At least two of the methods of earning money should be original; the other three may be based upon the experience of others.

If you are working your way thru college, state this fact and tell in detail what you are doing.

3 The essay should contain not more than 500 words.

4 The prizes—first prize—\$25.00, second prize \$15.00, third prize \$10.00, fourth prize, \$5.00, fifth prize \$5.00, sixth prize \$5.00, seventh prize \$5.00, eighth prize \$5.00.

5 The winning essays will be published in a leading magazine. The contest judges will also be announced later.

6 Contest closes December first. Send manuscripts to Arthur Murray, 143 East 39th Street, New York, N. Y.

1921 Ruby

(Continued from page 1)

Under the direction of Isenberg, the business manager, and Helffrich, the editor, the business and editorial phases of the work are rapidly taking final form.

Friends of '21 can be assured that when the book appears it will add to the high standard of deeds done, already attained by the class of 1921.

The Tower Window

IF ONE reflects in his off-hand conversation the thing in which he is most interested, I may be excused for "columnning" something this week that is a little aside from the usual line of chatter emanating from the Tower. The fact is I am far removed from the undefiled sanctum snugly enfolded within

the thick walls of Bomberger, and am trying to meet my weekly literary obligation amid smoke and ashes in the writing room of a Washington hotel.

What you get under the circumstances is merely the rebound of mental energy, none too resilient at best, after almost continuous application for twenty-four hours in the momentous task of helping to frame a church constitution. And now I have arrived at my theme.

Less than twelve months ago the Presbyterian Church in the U. S. (Southern) overtook the Presbyterian Church in the U. S. A. (Northern), the Reformed Church in the U. S., the Reformed Church in America and the United Presbyterian Church, in the interest of closer relations. The correspondence resulted in a joint-commission made up of representatives of the five bodies mentioned and of the present Council of Reformed Churches holding the Presbyterian System. This commission met for two days at Atlantic City in September and conferred on a plan of union, submitting its findings to a sub-committee of eleven members with instructions to the latter to draft a constitution in accordance therewith. So here we are writing the constitution for the union of these five great church bodies.

Our problem is not unlike that of the Peace Conference at Versailles in framing the League of Nations, the task being to create a central body with real powers without interfering, for the present, with the autonomy of each constituent church. We have gotten far enough to give assurance of a "United Assembly" that will not be without "teeth" at the outset, and which will embody features and functions calculated to develop larger power and greater solidarity as time goes on. If the entire memberships of these churches were as far advanced on the road toward union as are these commissioners, the outcome of this movement would, I believe, be a complete organic union immediately. The present proposal is for a federally constituted body with the germ of an organism vitally charged within its bosom and surrounded with an anatomical structure that will favor its development.

Altogether, this is the most promising movement toward church union yet proposed in this country.

G. L. O.

ALUMNI NOTES

One of the 1920 graduates in her first teaching position has sent her unsolicited pledge of \$100 to the Alumni Library Fund. Such splendid spirit deserves public commendation. What about YOUR library subscription?

Miss Mildred Erney '20 and Mr. Lloyd O. Yost '17 were united in marriage Thursday, November 18, at Kutztown. The minister officiating is an uncle of the groom's. Mr. and Mrs. Yost are now on a trip to California and the Pacific Coast. "The Weekly" extends congratulations.

Eugene Grossman '20 is a member of the football squad at the American School of Osteopathy, Kirksville, Mo. Recently he made the trip to Fort Worth, Texas, where the Missouri team played the Texas Christian College team. Altho defeated the A. S. O. boys piled up the highest score made against Texas Christian College this year.

After a service of thirty years as pastor of the Tulpehocken Reformed Church, near Myerstown, the Rev. Henry J. Welker '76 has resigned. Tulpehocken is one of the oldest and richest congregations in the Lebanon valley.

D. Leslie Stamy '08 has been promoted from an instructorship in Mathematics at the Georgia Institute of Technology, Atlanta, to an assistant professorship in the same institution at a material increase in salary. Prof. Stamy shows his continued interest in his alma mater in that he sends checks in one letter for his subscription to the library fund, to membership in the Maintainers' League, to the Alumni Athletics Club, and renewal of subscription to the "Ursinus Weekly."

"The Brooklyn Daily Eagle" of Monday, November 15, printed in full a sermon on "An Adequate Conception of God" by Rev. H. B. Kerschner, B. D., '16, pastor of the Kent Street Reformed Church, Brooklyn. Mr. Kerschner has for several years served as pastor of this church while pursuing advanced studies at Union Theological Seminary and at Columbia University.

The "Reformed Church Record" reports that St. Mark's Reformed Church of Lebanon had an average attendance for October of 637, a gain of 84 over last year. Rev. I. Calvin Fisher, D. D., '89 is pastor.

1915 ALUMNUS ON PROGRAM OF EDUCATIONAL CONGRESS

H. R. Vanderslice '15 was one of the speakers at the recent Educational Congress at Harrisburg, November 11 and 12. Speaking on social conditions as a factor in school life he said that while many school curriculums were planned with a view to preparing pupils for college courses, the producers of the state, as well as the professional elements, should be recognized and the schools should aim at turning out good citizens, irrespective of whether or not the graduates intend to go to college.

Mr. Vanderslice is an ex-principal of Collegeville High School and ex-supervising principal of the Boyertown Public Schools. At present he is Superintendent of the Schools of Coatesville, Pa.

WHO'S WHO IN THE ALUMNI ATHLETIC CLUB

How many of the Alumni read the "Tower Window" message in last week's issue of the "Weekly"? That sure was an article that ought to set our minds thinking and put our hearts where they belong.

The high point, or leading idea embodied was the cold fact that college tuition represents but part of the cost of our education. The credit balance is therefore in favor of the college that graduates you. Statistics and data are at hand to convince the most skeptical of the truth of this universal condition.

Basing judgment on the shabby manner in which some few scattering Alumni deal with their Alma Mater, one might assume that they evidently consider themselves faked. But is it not the college that graduates such men that is actually faked?

How then are those who feel the responsibility of a moral obligation to their Alma Mater to meet this issue? By pledging support and interest in as many phases of activity as our time and finances permit. The Alumni Athletic Club is directing its efforts in the advancement of Athletic conditions at Ursinus. Our immediate plan calls for heavy sod on Patterson Field. If interested in athletics send five dollars for membership fee.

The following team represents the type of Alumni that can always be counted on "doing their bit."

Prof. Thos M. Gilland
Rev. Bruce Jacobs
Rhea E. Duryea
F. J. Gildner, Esq.
W. R. Landes
Mildred D. Erney
Prof. Jno. W. Clawson
Lieut. Ed. E. Cook
Geo. F. Clamer
Ralph F. Wismer, Esq.
Henry Ancona

Yours in service,
RALPH E. MILLER '05, Treas

The Offer of the College

By William DeWitt Hyde

To be at home in all lands and all ages; to count Nature a familiar acquaintance, and Art an intimate friend; to gain a standard for the appreciation of other men's work and the criticism of your own; to carry the keys of the world's library in your pocket, and feel its resources behind you in whatever task you undertake; to make hosts of friends among the men of your own age who are to be leaders in all walks of life; to lose yourself in generous enthusiasms and co-operate with others for common ends; to learn manners from students who are gentlemen, and form character under professors who are Christians,—this is the offer of the college for the best four years of your life.

STUDENTS' COLUMN

Let us all remember that Dr. Robert E. Speer will be here on December 5. This is certain to be a great day. Alumni might profitably arrange to be here over that week end.

Get your megaphones ready for the hockey game with Beechwood, Tuesday afternoon at 4 o'clock.

Latest reports from Lebanon say that Esther Shirey '21 is improving and will be with us again after Thanksgiving.

Miss Erma Boyd '23 we regret to say, is at her home on account of sickness. We wish her a speedy recovery and return to school.

We don't know whether a few of our girls have returned to the "Tea-party" stage of existence or whether they are taking advances up the social ladder. However, we do know that Misses Clapham, Greenover, Zerfos and Richman attended a "Tea" given by Mrs. Small on Wednesday afternoon.

Found! In a Doghouse scrap basket—a crumpled "Weekly" wrapper addressed—Miss Anna Helffrich. We wonder: Was he trying the combination?

A chicken dinner? The participants take this means of profoundly thanking Mr. Bob Johnston for the good eating and merry meal he afforded them thru Misses Deitz and Reimer.

Shaeffer (While examining the anterior end of an earthworm under the microscope) "I don't have any brains here."

Oliver K. Maurer has been for the last week bedfast with gastric fever. Friday his improvement was so that he was able to be taken home by auto and he according to latest information is on the way to rapid recovery.

F. C. Schlater gave an illustrated lecture on China at Boyertown during the past week.

Webster Stover ex-'23 has enlisted in the U. S. Army and is at present located in the neighborhood of Atlanta, Georgia.

Heard in History: In France a woman couldn't be king.

Ruth Hespenheide has the consolation now that others note and imitate the melodious laughter of Claire P. Lawrence.

Helen B: Can you tell me why kissing a girl is like a bottle of olives? Zit: Yes! I know. After you get the first one, the rest come easy.

Miss Keim will attend a wedding in the near future in which the bride and bride's maid will be dressed alike. Which one will be she?

(Claire Lawrence and Ruth Hespenheide disagreeing once again on a certain subject)—Senior: "Are you two room-mates?" Girls: "No." Senior: "I thought that only room-mates had the right to disagree the way you two do."

Why are seats changed so frequently in Greek class? Perhaps Fretz and Schlegel can volunteer some information.

C. P. Lawrence on making a wonderful discovery in the bio-laboratory—"Oh! my grasshopper has its mouth full of legs."

In the class of 1922 there is an applicant for Mrs. Warner's job.

The object of Glad Light's visits has changed from Muhlenberg to Hahneman.

Carol and Dick have picked out their ideal home on the Germantown pike.

A new artist has arrived. See the astounding new creations at Artist Vine's studio.

Dot Williams gives vent to her feelings in an hour of sleepy ravings.

Altho not a member of Education 6 class "Joe" Xander is reported to have made strenuous efforts to accompany that class on its trip. Is there any relation between that fact and the fact that Mr. Mertz took his stenographer along?

South is Scene of Party

South hall was the scene of much pleasant activity on Saturday evening last. Eight girls from that place acted as hostesses to a motley crew from the three "dorms", furnishing eats which exceeded all expectations. Coach Fay, of the Freshman team, entertained those present with a long discourse on love.

Freshman Class Meets

At a meeting of the Freshman Class on Wednesday it was decided that the class should accept the standard class ring. An election was held for captain, athletic manager and coach for the coming Freshman-Sophomore football game. The results were as follows: Wikoff, captain; Reimert, athletic manager; Fay, coach.

It was recently decided at a meeting in South College dormitory at Lafayette that there should daily be a time when everyone in that hall should be quiet. The study period is to last from seven o'clock until ten thirty o'clock every evening. During this period every resident in the building is expected to be about his own work and not to encroach upon the time of other students. By this plan all really ambitious students are given a time when no disturbance will detract attention from their studies.

Muhlenberg Game "Dope"

(Continued from page 1)

in their first year at Ursinus. Being 22 years old he weighs 150 lbs. and looks every inch of his 6 ft., 8.

Earl K. Miller '23

This is "Shorty's" second year of plowing thru the line, and he sure can plow, whether there is a hole or not. He hails from Peddie, where he was a star, and being 20 years old tips the weights at 165 lbs. There is 5 ft., 7 in. of him.

Herbert R. Howells '23

The P. M. C. game last year put "Herbie" on the "blink", but he has staged a come back and his nimble feet are once more carrying him around the ends for substantial gains. Being but 20 years old, he measures 5 ft., 10 in. and weighs 160 lbs.

Forry Stauffer '23

"Stauffer is one of the best guards I ever played against." This statement was made by Conehy, Swarthmore's great lineman, who himself had played against the best guards in the big colleges. "Fat" has been out most of the season owing to injuries. He weighs 210 lbs., stands 5 ft., 8 in., and is 20 years old.

William M. Greiman '23

"Big Bill" stands 5 ft., 9 in. and weighs 182 lbs. He plays right tackle and has well earned the name of steam-roller. He hits like a hurricane. Coming from York High School to Ursinus in 1915, he has been delayed in his schooling by answering his country's call.

Wesley Updike '23

A Trenton High School boy, who made his U in his first year. "Uppy" is another of our six footers and weighs 193 lbs. His age is 20 years. Guard position is his specialty.

David S. Tyson '23

McKeesport High School sent this growth to Ursinus. This is his first year of football, but he can hit a line as hard as a man of 10 years experience. "Ty", the second, is a big man of 5 ft., 11 in. and carries 175 lbs. at the age of 20.

J. Leslie Wikoff '24

Here is another product from Trenton High School. By his hard work he has landed a Varsity berth at center. "W" plays a hard consistent game, and promises to be one of the best the school has ever had. Leslie is but 20 years old, 5 ft., 8 in. tall, and weighs 165 lbs.

Henry C. Gotshalk '24

This youthful wonder, being but 16 years of age, hails from Trenton. He plays left end and we can say; he's good. Morpheus plays football because he loves the game; this is the first essential of an All-American. He is big for his age, being 5 ft., 9 in. and weighing 170 lbs.

Malvern C. Buchanan '24

This man might have been one of the Cyclops had he but one eye.

"Buck" came here this year carrying in his suit case clothes to cover 6 ft. of 220 lbs. of manhood. You know he is a wonderful asset to the line at guard position. "Buck" is 20 years old.

Russel Kengle '24

"Nails" he is called and he deserves this name. McKeesport never sent a harder guy (physically, of course) to us. "Rus" plays end and when you hear the click of his jaws look out. Standing 6 ft., 1 in. he weighs 160 lbs. and is 19 years old.

Eric A. Corkhill '24

The gamest man on the football field, and that is saying something, when you consider the men out there. "Corky" is a deadly tackler and promises to be a great quarter back. He is but 17 years of age, weighs but 135 and is only 5 ft., 7 in. tall.
